

WELCOME

The dance school is now back in full swing. We are enjoying seeing all our dancers back enjoying their social dances and lessons.

Social Dancing is Back!

Our Monday night social sequence dance returned in July. It was lovely to see everyone meeting back up with friends. The atmosphere was great, although we think we have tested the brain to try and remember all the dances!!

We also enjoyed our first weekend away dancing at the Bedford Hotel in Lytham St Annes. It was good to be back after almost two years. It was both emotional and fantastic spending time with friends and enjoying dancing again!

If you want to join us on our next weekend away in February 2022 in Carlisle, then check out the website for details.

All Nations Awards

Our commercial dancers enjoyed receiving their awards from the competitions in May. Well done everyone on their great dancing. Here's to more success at the next competition!

Demonstration Fun

The girls enjoyed giving a cheer and commercial demonstration at the Hurworth Fair. Thank you to Kayley for going along too.
